Hyderabad, March 16 — The 11th Metropolis World Congress-2014, featuring about 2,000 delegates from 100 metropolitan cities from around the world, will be held here in April next year, said an official statement Saturday night.

Chief Minister N. Kiran Kumar Reddy approved the file relating to the hosting of the Congress, a triennial event, which is expected to promote the brand image of Hyderabad and facilitate exchange of cultural tourism.

The 10th metropolitan world congress was held in 2011 at Porte Alegre, Brazil.

The earlier editions were held in Sydney, Berlin, Seoul and other international cities.
