Chief minister N Kiran Kumar Reddy on Saturday approved the file relating to organising 11th Metropolis World Congress-2014, to be held in Hyderabad in April, 2014. Around 2,000 delegates from 100 metropolitan cities all over the world are expected to participate.

Several countries bid for the congress. In 2008, it was held in Sydney, Australia, while in 2011, it was held in Porte Alagre, Brazil.

There are several advantages in holding this conference like brand image of Hyderabad will spread all over the world and exchange of cultural tourism will enhance, officials of Chief Minister's Office said.

The World Agricultural Conference will be held during December this year.
