HYDERABAD: Greater Hyderabad Municipal Corporation (GHMC) is leaving no stone unturned in their preparations for Metropolis World Congress 2014.

They have asked Hyderabad Metro Rail, Roads and Buildings and National Highways departments to submit proposals for overall development of 150 kilometers of road stretches which includes major tourism spots, shopping area, the venue for conference and the accommodation of delegates.

GHMC Commissioner, Somesh Kumar held a review meeting with all the heads of line departments on Thursday to ensure that all the necessary arrangements be made for the prestigious Metropolis conference, which is to be held in Hyderabad in the second week of October.

The Commissioner directed them to submit a list of roads before July 6 (irrespective of the ownership of the roads) in order to put up the proposals before State Government for seeking funds. He said that the road works will be taken up with a view to complete the total recarpeting of roads before September 15 with defect liability period.

The Commissioner also directed officials of the Urban Biodiversity Wing of GHMC to re-examine all the works which were taken up during Conference of Parties (COP-11) and to develop the 125 kilometers main roads stretch with seasonal flowering.
